The scarabs lead the way to wealth, starting with the Green Scarab, which grants players 8 Free Spins. In them, frames may appear around the figures, and they remain until the end of the Free Spins. As a finishing touch, one Super Spin is played, and winnings are paid only for the figures in the frames. If the frames fill out the whole screen, there is a special multiplier.

The Blue Scarab offers a Keep&Spin bonus with up to three resets when Scarabs with credit are spinning on the screen. A full screen of Blue Scarabs grants a win multiplier.

And now for the cherry on top – the Red Scarab, which starts a Jackpot Pick-up bonus with 12 elements, where opening three of the same elements, wins the corresponding jackpot level.

Another four types of bonuses await as a mix of the previous three, and if the jackpot is opened with another bonus, up to three extra coins with winnings from previous bonuses can be won.

# DRAGONS' REALM

# HIGH CASH

Welcome to Dragon's Realm, a faraway land where four magic dragons, masters of the elements, roam free. The game unfolds with 5 reels, 4 positions, 40 fixed lines, beautiful graphics, and numerous surprises. Whenever the dragon's eye looks at you from a total of three positions on the 1st, 3rd, or 5th reel, you will be granted from 5 to 25 free spins, or even access to the jackpot bonus feature.

Once in it, the screen will fill with balls of magic to pick up from and in your hands, each will turn into a dragon. Match three of a kind and you are destined to rule over one of the four jackpots. If during the main game or granted free spins a reel fills with any of the dragons, a spark of intense magic may trigger the respins.

Then you will have the special chance to summon one of them on a full screen. The firebreathing creature will take you on its mighty wings straight to its jackpot and you'll become its new master in the Dragons' Realm.

# HIGH CASH

Meet the princesses of Asia – four gorgeous nobilities, granters of rich winnings, high spirits, and festivity in an exciting single game with a jackpot of 4 levels. The game's 5 reels, 4 positions, and 40 fixed lines open the gates to an exceptional experience that may end with a sky lit up with fireworks. If the golden dragon scatter symbol appears on the 1st, 3rd, and 5th reel, you will be granted 10, 15, or 25 free spins and you may win them again and again if that magic creature keeps visiting you repeatedly.

The princesses themselves have their own whims. When one of them occupies all the positions of a reel, multiple respins may trigger and the more symbols of the royalty you gather, the higher the credit you'll receive.

Fill the whole screen with the image of a princess and you are sure to seize her jackpot riches. There is also a secret passage to the noblewomen's treasure in a special pick-up bonus game that activates randomly but guarantees the favor and treasure of one of the four beauties.

# LEPRECHAUN CHANCE TREASURY

# HIGH CASH

If you see a leprechaun, you better give chase – that is the only way to catch him and win grand pots of gold at the end of the rainbow! In the new LepreChance Treasury, luck can strike anywhere with the game's 5 reels, 4 positions and 40 fixed lines, and a thrilling jackpot of 4 levels.

If you happen to stumble on enough enchanted coins, you'll know immediately, as this will grant you up to 12 free spins at a time, and a choice how to play them.

Catching the leprechaun is not that hard and when the fairy troublemaker appears on all the positions of a reel, a number of respins or a High Cash feature may trigger, giving you an extra chance to enter the Treasury.

Once a whole reel is filled with any of the leprechaun's tokens, then you are sure to win a jackpot level. But there is another way to the magic halls of wealth and that is through a special pick-up bonus game that can lead you straight to the jackpot.

## AMAZONS' BATTLE GRAND

All the way from Themiscyra the Amazons ride on their brave wild horses and enter into battle to help you discover great treasures. Incredible wins are expected whenever the reels expand, the lines go up from 30 to 60 or 90 and the screen is dominated by one of these legendary women or their beautiful stallions in gallop.

You are also sure to find hidden treasures when the Double Headed Battle Axe scatter falls on reels 2, 3, and 4. Then you can win from 7 up to... 90 free spins and they are always played on 90 lines. The legendary Amazons, much like fortune itself, favor the brave – there are Grand and Major standalone mystery jackpot levels, which can be won with any bet at any time.

Discover the African savanna, your next gaming destination. Surrounded by lush wildlife, there lie many treasures to claim, you need only follow your lucky charm and friend on your way to the riches – the rhino with its golden horn. This single-game adventure is of minimum 243 Reel Ways Pay but as you wander deeper into the savanna it may reach the astounding 4608 Reel Ways Pay.

One thing is certain – your journey will be an exciting one. The special zone above the screen can turn into a roller coaster of surprises, awarding different win multipliers and free spins and respins. When the bonus "Reels Up" drops during a free game or you gain respins, the landscape will expand and uncover additional positions on the 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> reels. The Grand and Major standalone mystery jackpot levels also await you on your quest to triumph over the savanna.

The thrill of exploring the seas of Southern Asia is complete with the free games feature, as well as many others to uncover.

Welcome aboard adventurer for a breathtaking journey deep into the oceanic possessions of Neptune. The lovely sirens of the God will help you during your quest in finding the underwater riches. Diamonds are forever, and with 9 Crystal Bonanza you'll get a chance to enjoy them whenever you want. This multi-level progressive jackpot on our newest gaming platform – Exciter 4, offers a wide variety of playing options. Of course, the centerpiece is the diamond that shines brightly from our General cabinets. If more than 3 of them are scattered on the screen, you will win a substantial reward, and if you're lucky to have more than 5 Diamonds when a max bet has been placed then the jackpot is yours.

If not, you can always enjoy the bonus spins. Just get 3 Free Spin symbols to appear on the screen and get up to 10 free spins with the chance of an X2 or X3 multiplier if you manage to navigate your way to the last spin.

There is also a Wild symbol which will help you by substituting all other symbols except the Free Spin and the Diamond. Look for it on the 2nd reel.

Premium Link is a jackpot system where EGT games from General, Power, Collection, Premier and older series like Vega Vision+ and Vega Vision can be linked together in order to participate in common mystery and symbol-driven progressive jackpots.

The Premium Link is based on Premium Progressive Controller (PPC) and Media Control Center (MCC) for visualization, and supports a mystery jackpot with up to 3 levels (Mini, Middle and Super), all of which are common for all games and denominations and fully customizable, including a setting for minimum bet requirement. The mystery jackpot values are accumulated on the grounds of stakes made on all machines participating in the jackpots and can be won randomly by each of them.

Premium Link supports symbol-driven jackpots, each with a maximum of 4 denominations and with its own independent settings. The accumulation is done on the grounds of stakes made during the games.

Whenever a jackpot is won, alluring animations cheerfully present to the player the amount of his take.

Gaming machines of other manufacturers also can be linked in order to participate in common mystery jackpots. For this purpose, each gaming machine has a special controller – Jackpot Interface Module (JIM). The collected jackpots are transferred to the gaming machines as Legacy bonuses via SAS Protocol.

Each of the Lady's Cards four jackpot levels can be won through the special Lady's Cards bonus game which can be triggered randomly at the end of each of the base games. When the Lady's Cards bonus is triggered, 12 cards appear on the screen, the player chooses which ones to reveal, and when he collects 3 cards with the same suit, he wins the corresponding jackpot level – Clubs, Diamonds, Hearts or Spades. The player may win any of the four jackpot levels without having to play the maximum bet. However, the higher the bet, the greater the chance to trigger the bonus and win the highest level.

Bell Link has 4 exciting levels, of which the Grand and Major are progressive and common for all games and bets. Minor and Mini jackpot bells are purple and blue and can be won multiple times during the Bell Link bonus; the Grand and Major levels can be attained that way too, as well as with any bet that brings a green bell or a trio of festive red bells that signal the win of the highest Grand.
