Supreme Combo Link has 4 exciting levels – Grand and Major are progressive, while Minor and Mini are Bonus Prize and Non-progressive.

The scarabs lead the way to wealth, starting with the Green Scarab, which grants players 8 Free Spins. In them, frames may appear around the figures, and they remain until the end of the Free Spins. As a finishing touch, one Super Spin is played, and winnings are paid only for the figures in the frames. If the frames fill out the whole screen, there is a special multiplier.

The Blue Scarab offers a Keep&Spin bonus with up to three resets when Scarabs with credit are spinning on the screen. A full screen of Blue Scarabs grants a win multiplier.

And now for the cherry on top – the Red Scarab, which starts a Jackpot Pick-up bonus with 12 elements, where opening three of the same elements, wins the corresponding jackpot level.

Another four types of bonuses await as a mix of the previous three, and if the jackpot is opened with another bonus, up to three extra coins with winnings from previous bonuses can be won.

Welcome to Dragon's Realm, a faraway land where four magic dragons, masters of the elements, roam free. The game unfolds with 5 reels, 4 positions, 40 fixed lines, beautiful graphics, and numerous surprises. Whenever the dragon's eye looks at you from a total of three positions on the 1st, 3rd, or 5th reel, you will be granted from 5 to 25 free spins, or even access to the jackpot bonus feature.

Once in it, the screen will fill with balls of magic to pick up from and in your hands, each will turn into a dragon. Match three of a kind and you are destined to rule over one of the four jackpots. If during the main game or granted free spins a reel fills with any of the dragons, a spark of intense magic may trigger the respins.

Then you will have the special chance to summon one of them on a full screen. The firebreathing creature will take you on its mighty wings straight to its jackpot and you'll become its new master in the Dragons' Realm.

The princesses themselves have their own whims. When one of them occupies all the positions of a reel, multiple respins may trigger and the more symbols of the royalty you gather, the higher the credit you'll receive.

Fill the whole screen with the image of a princess and you are sure to seize her jackpot riches. There is also a secret passage to the noblewomen's treasure in a special pick-up bonus game that activates randomly but guarantees the favor and treasure of one of the four beauties.

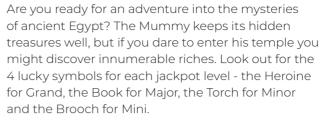

If you see a leprechaun, you better give chase that is the only way to catch him and win grand pots of gold at the end of the rainbow! In the new LepreChance Treasury, luck can strike anywhere with the game's 5 reels, 4 positions and 40 fixed lines, and a thrilling jackpot of 4 levels.

If you happen to stumble on enough enchanted coins, you'll know immediately, as this will grant you up to 12 free spins at a time, and a choice how to play them.

Catching the leprechaun is not that hard and when the fairy troublemaker appears on all the positions of a reel, a number of respins or a High Cash feature may trigger, giving you an extra chance to enter the Treasury.

Once a whole reel is filled with any of the leprechaun's tokens, then you are sure to win a jackpot level. But there is another way to the magic halls of wealth and that is through a special pick-up bonus game that can lead you straight to the jackpot.

If you are brave and lucky enough to deceive the mummy and trigger the bonus, you can choose between Wheel Respin feature or free games.

The 2 Happy Hits series is a standalone mystery jackpot of 2 progressive levels – Major and Grand, that may be hit at random with any bet. The players anticipate them greatly as they have a hint as to when these jackpots are expected to drop. Premium Link is a jackpot system where EGT games from General, Power, Collection, Premier and older series like Vega Vision+ and Vega Vision can be linked together in order to participate in common mystery and symbol-driven progressive jackpots.

The Premium Link is based on Premium Progressive Controller (PPC) and Media Control Center (MCC) for visualization, and supports a mystery jackpot with up to 3 levels (Mini, Middle and Super), all of which are common for all games and denominations and fully customizable, including a setting for minimum bet requirement. The mystery jackpot values are accumulated on the grounds of stakes made on all machines participating in the jackpots and can be won randomly by each of them.

Premium Link supports symbol-driven jackpots, each with a maximum of 4 denominations and with its own independent settings. The accumulation is done on the grounds of stakes made during the games.

Gaming machines of other manufacturers also can be linked in order to participate in common mystery jackpots. For this purpose, each gaming machine has a special controller – Jackpot Interface Module (JIM). The collected jackpots are transferred to the gaming machines as Legacy bonuses via SAS Protocol.
